

# Social Security Numbers for F-1 and J-1 Students/Scholars

## WHAT IS A SOCIAL SECURITY NUMBER (SSN)?

A social security number is a permanent nine-digit identification number/card issued by the Social Security Administration. It is used primarily to identify participants in the federal government's Social Security Program but because it is unique to each person the number is now used by many other public and private organizations. Anyone employed in the United States must obtain a social security number.

## ELIGIBILITY REQUIREMENTS:

F-1 and J-1 students/scholars must first be present in the United States for at least 10 working days before they apply for a Social Security Number (SSN). Furthermore, F-1 students can only apply for a SSN if their start date is within 30 days. You must apply in person to the Social Security Administration and will need to present your **Passport, original I-94 Form, and the following documents:**

### F-1 Students:

- 1. I-20**
  - Must be your current I-20
- 2. MUST be employed and have Letter of Employment**
  - Letter should include the following:  
Type of work, employment start date, hours per week, nature of the work, and supervisor's name and title.
- 3. Letter of Support from OIE**
  - OIE will need to see your Letter of Employment before issuing the support letter.
  - For CPT or OPT, page 3 of your I-20 will serve as the support letter from OIE.

### J-1 Students:

- 1. DS-2019**
  - Must have entry stamp.
- 2. Letter of Authorization from OIE**

### J-1 Scholars:

- 1. DS-2019**
  - Must have entry stamp.
- 2. Letter of Invitation from Department**

Once your application is successful you will usually receive the card by mail in 4 to 8 weeks, unless your application requires further security processing. You will also receive a receipt indicating that you have applied successfully for a card. This receipt is sufficient to be initially hired by Georgia Tech in the Office of Human Resources. For off-campus employment you will first need the card before you can be hired.

Unemployed F-1 students and F-2/J-2 Dependents are NOT eligible for a Social Security Number. If you would like to obtain a driver's license, you will need to be issued Form SSA-L676 from the Social Security Administration.
