

## Eligibility for Participation in GT Exchange Programs

In order to participate in a GT exchange program, there are certain eligibility requirements you must meet. GT will check your records to confirm that you meet the overall requirements, which are as follows:

- 1) You must be a Georgia Tech, full-time, degree-seeking student to apply for any GT Exchange Program.
- 2) You must have a minimum of a 3.0 GPA as of your last semester.
- 3) You must be in good standing with the Office of Student Affairs, which determines your eligibility based on your disciplinary record. If you have a pending charge of non-academic or academic misconduct, you may complete an appeal form to have your application reviewed by OIE to determine your eligibility.
- 4) You must be at least 18 years of age and have completed at least 2 semesters of college-level study at the time of departure from the U.S.
- 5) You must complete **one** Online Orientation Pre-Departure Orientation and attend **two** OIE Exchange Program Sessions: ONE Pre-Departure 15 minute follow-up meeting and ONE Intercultural Orientation.
- 6) You must have a valid, working e-mail account. You will be responsible for checking your e-mail regularly for updates from the OIE and from the institution abroad. You are responsible for all information sent over e-mail.
- 7) You must make all payments, complete and return all forms, fulfill all prerequisites, and follow all instructions and policies communicated by your Exchange Study Abroad Advisor and outlined in OIE and program-specific printed or electronic materials.
