## International Student/Teacher Identity Card

Your regular GT student ID may not be accepted as proof of student status while you are abroad, so you may want to purchase the International Student Identity Card (ISIC). ISIC is internationally recognized proof of student status. Benefits of ISIC vary widely from country to country, but may include discounts on airfares and other transportation, accommodation, and admission fees to museums, cultural events, and concerts. ISIC also provides basic medical and accident insurance for as long as your ISIC is valid. Benefits for the International Teacher Identity Card (ITIC) are similar to those of ISIC.

The ISIC (\$22.44) is valid from September 1 through the following December 31. So, an ISIC purchased on October 1, 2006 would be valid until December 31, 2007; an ISIC purchased on August 25, 2006 would only be valid until December 31, 2006.

There is no age limit for purchasing ISIC, but age restrictions may apply to some discounts. A handbook free to all ISIC/ITIC purchasers provides detailed information on insurance, emergency assistance for travelers, student airfares, and cardholder discounts in the United States and abroad.

**You can purchase an ISIC or ITIC in the Office of International Education (OIE) at Georgia Tech by bringing or mailing the following items to OIE:**

2. One passport-sized photo (can be taken in OIE; cost is \$15.30 for 2 photos)
3. Fee \$22.44, payable by check or credit card (Visa, MasterCard, Discover)
